

A person is shown in profile, breathing a large, intense flame that fills the upper right portion of the frame. The person is shirtless, and the background is dark, making the fire stand out prominently.

Fechtor

be unignorable

Your work deserves to stand out. So your message is heard and your business thrives.

We work with you to cut through the noise with smart strategy, bold creative, and zero patience for cumbersome processes. We're collaborative, direct, and relentlessly focused on ideas that demand attention—and get results.

what our clients have to say

"We present challenging objectives. They bring a unique approach that is 100% who we are and how we want to connect with our customers."

- DONATOS

"What truly sets Fechter apart is their passion—for the craft, for their clients, and for creating ideas that resonate with audiences. They don't just execute; they invest, and it shows in every project."

- CAPA

"They just get it. Smart, engaging, thoughtful, spot-on work. I look forward to partnering with them again."

- OSU VETERINARY MEDICAL CENTER

"Fechtor has an unequalled ability to transform topics from mundane to intriguing and turn forgettable subjects into unforgettable advertising."

- VORYS

Let's get started.
